CONSTRUCTION PRODUCTS

Ezcala Wood and Interior Design is a company specialized in personalized carpentry, interior design and wholesale and retail sales of construction materials, with highly competitive prices, outperforming the competition.

We are proud to be part of the **Cetosa Group**, a construction materials sales company, with more than 60 years in the market, occupying first place in Spain, and among the first places in all of Europe.

Ezcala Wood and Interior Design, was established this year 2023 in Madrid Spain, however, we have more than 25 years of experience in the interior design industry. We have participated in designing, executing, equipping and furniture and material sales, for private residences of up to 10,000 m² of construction. Also restaurants, jewelry stores, commercial stores, shoe stores, offices, vacation apartments, worldwide. For example, Mexico, the United States and the Caribbean. In Europe we have worked in Spain, Italy, Prague among others.

As for Contract, hotel and contract, we have collaborated on projects hotels such as Palladium, Valentín, Barceló and Princess in the Mexican Caribbean and Quinta Real Puerto Vallarta, Jalisco, among others.

In the materials sales part, we want to make alliances with architects, interior designers, developers and builders worldwide.
